SCOPE AND CONTENT NOTE:

The Health Services material includes information about early services offered to students and the activities of the current health services office. Since the opening of the first dormitory (Burr Hall) and the first school nurse, there has been a visible effort to support student health on campus. The establishment of the Health Services Office is comparatively recent and no exact date is yet available. Activity logs from the 1970s, some early publications and correspondence are available and more recent documentation is taken from the office's website, interoffice communications (email) and publications distributed by the Office of Health Services. Health Services operates under the auspices of the Office of Student Affairs.

SERIES DESCRIPTION:

Series I – Correspondence

This series includes a small sample of correspondence from the 1970s plus general correspondence dating from 2003-present.

Series II – Events

This series offers information about events sponsored by Health Services dating from 1997-present including Health Expos, blood drives and HIV testing.

Series III – Publications

This series includes a selection of flyers, brochures and newsletters dating from 1994-present plus print samples of the office's web pages beginning with 2003.

Series IV – Reports

This series includes activity logs from 1969-1976 and 1987 plus forms and departmental reports.
