BRIEF DESCRIPTION OF THE COLLECTION

Title	Institute for Sustainable Energy, 2000-present.
Extent	1 linear foot. 2 boxes.
Arrangement	Documents received by the University Archives and were separated into series and organized chronologically within each series.
Provenance	This collection was created by the Archives staff.
Finding Aid	Printed finding aid available in repository. Electronic version: http://ecsu.archives.s3-website-us-east-1.amazonaws.com/
Preferred Citation	[Series, Date, Folder description], Institute for Sustainable Energy, 2000-present. University Archives, J. Eugene Smith Library, Eastern Connecticut State University, Willimantic, Connecticut 06226
Access points	Institute for Sustainable Energy. Geothermal heating and cooling systems. Eastern Connecticut State University.
Restrictions	None.
Document types	Publications. Administrative Records. Press releases. Fliers. Manuscripts.

SCOPE AND CONTENT NOTE:

The Institute for Sustainable Energy collection includes basic information about the organization, its programs, publications and policies. ISE was established in 2002. This organization contributes to campus life through classroom instruction, workshops, conferences and campus events related to environmental sustainability.

SERIES DESCRIPTION:

Series I - Correspondence

This series contains general information on programs such as Earth Day, energy conference announcements, course and workshop information and other updates related to campus, state and national environmental news.

Series II - Events

This series offers information about events sponsored by ISE including Earth Day, Fossil Fool's Day, movies, lecture series and workshops like the Diesel Fuel Workshop.

Series III - Publications

The printed material in this series includes newsletters, quarterly reports, flyers and brochures offering information about energy related programs locally and globally.

Series VI - Reports

This series contains the initial (2000) "A Scoping Paper for the Energy Institute" report, a copy of the ULSF signatory document, clean energy reports, early annual reports and endowed chair announcement.

RELATED COLLECTIONS:

Related information may be found in the following collections: School of Arts & Sciences / Departments - Environmental Earth Science and Annual Reports and the following publications: *Campus Lantern*, *Eastern Magazine*, *Newsflash* and undergraduate catalogs.

The University Archives has a substantial collection of university archives material and also houses the Connecticut Studies Collection. For more detailed information on these collections please speak with a staff member, call 860-465-5563 or visit the Smith Library Archives & Special Collections online at <http://ecs.u.edu/archives.s3-website-us-east-1.amazonaws.com/>

COPYRIGHT NOTE:

PERMISSION TO PUBLISH FROM THESE PAPERS MUST BE OBTAINED IN WRITING FROM BOTH EASTERN CONNECTICUT STATE UNIVERSITY LIBRARY AND THE OWNER(S) OF THE COPYRIGHT.
