SCOPE AND CONTENT NOTE:

The School of Arts and Sciences material offers information about the development of the Arts & Sciences program at Eastern and the activities of the individual departments. Administrative information from the Dean's office is presented first (Series I-IV) followed by departmental correspondence and program information.

SERIES DESCRIPTION:

Series I - Committees

This series offers information on several early committees including: the inter-departmental coordinating group and women's studies steering committee. Current committee information can be found in the University Senate/Committees material.

Series II - Correspondence

This series offers a copy of the Bachelor of Arts Program proposal, a collection of day files and general correspondence from the office of Dean Kathleen McGrory, plus general correspondence from subsequent Deans dating from 1978-present.

Series III – Programs & Publications

This series offers information on programs offered through the School of Arts & Sciences including: the Summer Achievement Institute and the Student Research Conference and Exhibition.

Series IV - Departments

This series offers material arranged alphabetically by department name(s). Contents vary from department to department but may include correspondence, minutes, program or event information, policy statements and reports. Departmental name changes and reorganization are evidenced by notes added at the end of sections.
