SCOPE AND CONTENT NOTE:

The Windham-Willimantic Chamber of Commerce Collection consists of materials that document the history of the Chamber of Commerce in Windham County from 1927 through 1989, including one early ledger from 1887. The current collection consists of material received from the Chamber of Commerce Inc. Executive Director in 2006. The material was retrieved from storage in the basement of the 2006 Chamber of Commerce building. The collection consists of building specific files, correspondence of the main office, board minutes including an early ledger covering 1887-1912, a large news clipping collection (1927-1957), samples of publications promoting the chamber's services and two series that contain documents collected by the chamber from the Eastern Connecticut Development Council (ECDC) which documents the impact of rail, highway and industrial development projects in the area between 1972-1979.

SERIES DESCRIPTION:

Series I – Buildings

This series includes a small collection of building specific information concerning funding, renovation & repairs to local buildings dating from 1954-1989.

Series II – Correspondence

This series includes information on the day to day activities of the Chamber of Commerce as viewed through its office correspondence. The first group of correspondence was photocopied from the contents of two oversized scrapbooks dating from 1928-1934 (originals boxed separately). The second group of correspondence and information comes from the Chamber Board of Directors and other committees dating from 1952-1998.

Series III – Minutes

This series includes an early ledger titled "Board Minutes" dated 1887-1912. The largest portion of the collection dates from 1951-1998 and includes the minutes from Annual Meetings, the Board of Directors, and Executive Committee. Within these minutes are financial statements and budget reports plus minutes and reports from other boards, bureaus or committees. For example, material from the Board of Trade; Auto & Building Trades; Better Business Bureaus and the following committees: Development, Legislative, Judicial, Membership, Nominating and Parking are included.

Series IV – News clippings

This series includes articles on regional business issues, development, new businesses plus local advertising between 1927 and 1975. The first section comes from the contents of two oversized scrapbooks of news clippings dating from 1928-1936 (originals boxed separately). The second section offers photocopies of collected news clippings dating from 1927-1975.

Series V – Publications

This series offers a selection of booklets, brochures, flyers and Internet web pages used to promote services and activities of the chamber of commerce in the region.

Series VI – Eastern Connecticut Development Council

This series includes 3 sub-series: 1- Railroads - includes minutes, correspondence, reports and surveys related to the debate over rail service particularly the Providence and Worcester Railroad and its impact on Eastern Connecticut. 2- Interstate 84 - offers a collection of documents revealing plans and issues surrounding the development of an interstate highway through Eastern Connecticut. 3- Plainfield Industrial Park – offers local correspondence, reports and related documents which provide information on this project and industrial development in Eastern Connecticut.
